

Hi NACUSA Members!

CALL FOR SCORES

The Los Angeles Chapter of NACUSA is creating a Piano Trio concert:

Sunday, NOVEMBER 16th at 5pm,
to take place at the Gateway Church in the Santa Monica/
WLA area.

Works must be 8 minutes or less in length and be for piano trio or any subset (solo violin, cello, duet, trio) and on any topic.

Members are also invited to perform their own music or provide their own performers to perform their works on this concert.

We are delighted to have the Gateway Church in West Los Angeles/Santa Monica area at our disposal that offers good acoustics and piano. The hall seats about 100 people. This event will also be offered on Zoom and/or FaceBook for those who cannot attend and will also be recorded. There will be a reception afterwards for the performers, composers, etc and all are invited to attend.

The program for the piano trio works will be decided by the musicians. Each member whose work is being performed on this program will be asked to contribute \$100 toward the expenses of producing the concert. The piano trio, headed by virtuoso pianist Pierre Tang, will also be paid through your contribution. Should you choose to hire your own musician(s), you will be responsible for paying that person.
